

12th July 2018

Dear parents/carers

You will now be aware that Christine Page, our Head Teacher, will be leaving us in December after 19 years at Bourn Primary. Words cannot express what she has achieved for our school over the years. Her dedication, commitment, high standards, enthusiasm and effective leadership have been exceptional.

We are going through a period of change that perhaps some of you may find unsettling. We would like to reassure you that all the members of the Governing Body are committed to ensuring we maintain our high standards and we are starting the process to recruit the right person to take over as Head Teacher. We will keep you updated on our progress.

There is no doubt we have a busy few months ahead and we would appreciate your continued support for the staff and Governors as they work to ensure a smooth handover.

Kind regards

Yours sincerely

Sharon Peer

On behalf of the Governing Body
