

# Class Cherry Weekly Review

Week Ending 28th September

## NOTES FROM THE TEACHERS

We would like to say a big thank you to everyone who took part or helped at Bourn to Run on Sunday. Despite the rain, the turnout was great and it was lovely seeing so many children from Cherry Class doing the 3k run.

As we look ahead, our next important date in the diary is the Harvest Festival next Friday. *If you would be available to accompany us to the Church, please could you contact the office?*

Mrs. Smith and Mrs. Faulkner

### English

This week we have gone back to basics and have been practising rules for capitalisation and using full stops. We also carried out a reading comprehension exercise about the Harvest Festival before beginning to research and prepare a presentation about Education around the World for the Harvest church service next week.

### Maths

In Maths we have been learning all about Roman numerals and had to solve a crime by decoding cryptic Roman numerals and turning numbers into letters to find out who committed a crime!

### Science

In Science we carried out our investigation about materials that would be good thermal insulators. We wrote a report the 'Brilliant Bag Company' to tell them which materials keep food fresher for longer.

### Enrichment

This week we have been locating Egypt on a world map and have been finding out when in history the Egypt civilisation we are studying took place. We also watched some videos to introduce the Egyptians with focus on the importance of the River Nile.
