

# Weekly Review

28<sup>th</sup> September 2018

Hazel

A quick glance at the weather apps shows that this nice spell of sunny weather we've been experiencing will soon be drawing to a close. With this in mind we have spent some time outside this week, researching materials for science and even having our weekly PSHE lesson outside. We have started to think about Harvest next week and we have doing a few bits for our display which will go up in the hall.

Although I was unable to attend Bourn to Run I'm told that the event was a success if also a little wet.

Next week we will be heading to the church on Friday and I have been asked to request for any parent volunteers who may be able to walk across with us. If you think you might be available do let one of us know. Until next week... Mr Palmer & Mr Parkin

Hazel

## Curriculum News 5 10

This week we have moved into instruction writing for our next unit in English. We have working with and understanding statements, commands and imperative verbs. The children have taken to this unit very well and I'm very pleased with the overall progress. In Maths we are doing some work on addition/subtraction using hard objects like cubes and numicon to help us. In Science we've been comparing the suitability of materials for different jobs and R.E. has seen us learn about harvest and why it is celebrated.

## Notices & Diary Dates

- **French** - French finally starts this week with Katie. They will have a session with her once a week.
- **Harvest** - The theme we have been given is Protecting animals.. I thought it might be nice to have a few pictures of the Hazel children with their pets to go on our display to highlight the importance of our animals to us. So if you have a pet and would be happy to have a picture of the pet with your child on our display we would be very grateful for that.
- **Home Reading** - As always, we would ask you to try to read with your children ideally everyday but just as often as you can. In addition, I would encourage a bit of home writing purely to practise essential handwriting skills. It is something we are working on in class but it's one of those things you can never have too much practise in.
- **P.E. lessons.** Mr. Gawthrope is back with us this week. As always, please ensure that your child has their indoor and outdoor P.E. kit in the school on Tuesdays and Thursdays.

## BSA Cake sale

To help raise funds for the BSA this term, each class in KS2 will be taking it in turns to run a cake sale outside the school entrance on the last Friday of each month. **Our first sale is Friday, 28th September, run by Class Maple.** Please feel free to stop by their cake sale after school for some delicious treats. Thank you for your support!

## Homework

This week the children have been set the task of compiling a fact file on William the Conqueror. We have already talked about him in our Enrichment sessions but the children may still need to do a bit of research. I've included some links to a couple of websites where they might be able to gather some information.

**Monday 8<sup>th</sup>, Wednesday 10<sup>th</sup>, Tuesday 16<sup>th</sup>, Wednesday 17<sup>th</sup> October** - Parent Consultations

**Friday 19<sup>th</sup> October** - Half Term begins

**Monday 29<sup>th</sup> October** - Back to school.

**Friday 16<sup>th</sup> November** - Hazel Class assembly

**Wednesday 12<sup>th</sup> December, Thursday 13<sup>th</sup> December** - KS1 Play.

**BOURN C OF E PRIMARY ACADEMY**
