

Willow's Weekly Review

Friday 28th September 2018

We have had another busy week in Willow. The children have eased themselves successfully into the routines of Year 1 and they have impressed me with their positive and enthusiastic attitude towards their learning. It is always hard to get used to the different expectations of a new school but thanks to the children, I am also feeling more settled! The children continue to make me smile every day and are a delight to teach.

Well done to those of you who braved the rain on Sunday for Bourn To Run. Despite the bad weather; it was well supported and the children were very proud of their medals! Have a good weekend.

Mrs Balls and Mrs McKeever

Curriculum News

In Maths, we have been looking at the vocabulary of more than/less than and equal to. We have created number lines to 20 with Numicon and been finding 1 more than and 1 less than a number.

In English, we have been supporting work covered in RWI sessions by focussing on writing sentences, questions and answers.

The children were most enthusiastic when making their weather wheels in Science and were able to

discuss different weather conditions.

Celebration cards

Please continue to fill in the celebration cards so that we can share your child's achievements with the rest of the class on a Friday afternoon.

Walking to Church

We would be very grateful if a few parents could accompany us to the Church on Friday 5 th October at 9.10am ready for our Harvest Festival. Please have a word with one of us or Katie in the office if you are able to help us.

Home Learning

It was lovely to read interesting facts about castles for the Home Learning research. This week the children have been asked to design their own shield.

Dates for your diary

Friday 5th October- Harvest Service in Church

Monday 8th ,Wednesday 10th , Tuesday 16th and Wednesday 17th October- Parent Consultations

Friday 23rd November –Willow Community Assembly
