

Weekly Review

12th October 2018

Acorn

Time is flying by! It's hard to believe that we are at the end of week six already. Mrs Tagger has enjoyed her first week of parent consultations and looks forward to catching up with more parents next week. Thank you all for your continued support.

Acorn

Perfect patterns.

The children have enjoyed recognising and continuing repeating patterns this week. We have made patterns using the duplo, multilink, loose parts and ourselves! We have started by creating patterns using 2 colours or shapes and then progressed to using other items around the classroom. Some children have taken their learning to the next step by experimenting with 3 colours and shapes! Check out our work below:

Run run as fast as you can

This week we have adapted the Gingerbread man story to include our own ideas and have swapped some of the original characters and events with our own. This has been a lot of fun!

There have been many fun suggestions of people/animals that chase the Gingerbread person, from aliens and monsters to super heroes and unicorns. The children have also been thinking about alternate endings to their stories. Ideas have included crocodiles, dinosaurs, sharks and tusk fish snapping the Gingerbread person up in one big gulp.

All grown up!

We have loved sharing our baby pictures and have been talking about how we have changed since being babies. We had fun playing a guessing game, matching a baby photo to each person. We got most of them right but some were so tricky!

Next week we will display the photos on the 'Me, myself and I' board.

Thank you for bringing in the photos. If you haven't brought one in for your child, it isn't too late. It needs to be a photo that we can keep in school for display and will be returned to you at the end of the summer term.

Notes

This week we have learnt the sounds l, h, sh, r. Please support your child to play 'I spy', spotting things that start with their new sounds as well as helping them with correct letter formation. Have fun playing a game over the weekend. Our suggestions are: snakes and ladders, dominoes, Uno, shut the box, frustration and Ludo. I'm sure you have many more ideas.

Due to the half term break, the monthly BSA cake sale will be held **next Friday, 19th October, run by Class Cherry**. We hope you will stop by our cake sale after school for some delicious treats. Thank you for your support!

We hope you have a fun filled weekend!
