

Weekly Review

8th February 2019

Acorn

We have achieved so much this week! We were excited to learn about Chinese New Year and learn facts about China. We have so much to learn so we will continue to learn about the celebration and country next week. This week, we have also been talking about staying safe on the internet as it was Safer Internet Day on the 5th February. We read the stories 'Chicken clicking' and 'Goldilocks', which were brilliant stories to help young children understand how to stay safe online.

Acorn

Let's celebrate!

Below are a few pictures of our celebrations this week. We have made dragons, built the Great Wall of China, written Chinese scrolls with Chinese numbers and learnt a few facts about Pandas. We have enjoyed finding out about the Chinese zodiac signs and finding out what our own sign is.

Home learning:

This week we have learnt numbers 13 and 14. The children have explored ways of making these numbers and practised writing them. We are learning that a 'teen' number starts with a 1. You could help at home by counting beyond 10 and spotting our new numbers on a numberline. Numberblocks on Cbeebies now have an introduction to 11,12,13,14 and 15 so have a look on their website.

Dates for your diary

Thursday 14th February – Non-uniform day. Please dress in red/pink. £1 per child.

Friday 15th February: Class Acorn assembly

18-22nd February: Half term

Notes.

Please provide your child with their assembly costume by 13th February. Please come and see us if you need any support with costumes. Many thanks.

Have a super relaxing weekend! Mrs Tagger and Selina
