

Weekly Review

5th April 2019

Acorn

Our last week of this term has been filled with egg decorating, The Gruffalo story writing and having fun re-capping our new sounds in fun activities around the classroom. The children are very excited for Easter! We hope you have a fun filled couple of weeks and please make sure everyone has time for a much needed relax.

Acorn

I want to ride my bicycle!

Our Sponsored bike/scooter ride has been a huge success this week. The children enjoyed zooming around the playground as many times as they could manage to raise money for our new water tray fund. There was no stopping them! As a reward for all of our pedalling and pushing we enjoyed a little Easter treat afterwards...yum!

Thank you so much for your support. Please feel free to drop the sponsor forms together with the money to the classroom during the first week back after Easter, if you have not done so already.

Notes

Please find details about your child's show and tell time and learning journey book share time in the plastic wallet.

Some home learning suggestions for over Easter:

Making a numberline to 20. Finding one more/less than a number 1-20. Play a missing number game 1-20.

Counting Easter eggs! Doubling and halving the amount.

Reading tricky troll words and playing pairs/snap game using word cards.

Dates:

8 April – 24th April: Easter break. 23rd April: Teacher training day.
