

Class Cherry Weekly Review

Week Ending 7th June

NOTES FROM THE TEACHERS

Sports Day was a great success on Wednesday and we are delighted that the rain held off! We are proud of how hard the children all tried and how they supported each other.

A note to inform you that parents are invited to a Parent Workshop on Internet Safety on Wednesday 19th June 6.30-7.30pm in the school hall. Please email the school office to let us know that you will be attending

Next week we have the optional Spellathon on Monday in class and the School Summer BBQ on Friday afternoon. A letter has also gone out about the Year 5 Careers Fair Convention here in Bourn on Tuesday 18th June.

Mrs. Smith and Mrs. Faulkner

English

In English, we have started a new unit on persuasive writing. The children started by analysing a range of persuasive texts and identified structural and language features.

Maths

In Maths, the children have been finding number bonds to 1 and 10 using decimal numbers. They have also been practising adding and subtracting decimals using both mental and written methods. With Mrs Faulkner, we have continued with angles, working out angles of turns and finding missing angles.

Enrichment

In Enrichment this week, the class have been learning about mountain explorers. The pupils enjoyed watching a video about an expedition to Mount Everest.

Science

Next week, we will start our topic on The Human Body. This will include how we keep ourselves fit and healthy. If you would like to come in and talk to the children about the importance of healthy eating and exercise on a Friday afternoon then please email the office, we would welcome a visit or two.
