

# Willow's Weekly Review

Friday 6<sup>th</sup> June 2019

It seems as though everyone benefitted from the week's holiday and it was good to see the children's eager, happy faces again. They enthusiastically shared their news with us and the children have settled back in for their last half term in Willow class!

Mrs Balls and Mrs McKeever

## Curriculum News

Mrs McKeever will be teaching the majority of the lessons in the next 4 weeks for the final part of her training. It seems incredible to think how quickly this year has flown by! In English the children wrote a recount of their holiday and have been doing lots of practice of the phonic sounds. We have been thinking more about halves and quarters in Maths which some children have grasped well. Finding a quarter of shapes and numbers can be a tricky concept for the children to fully understand. Next week we will move on

to thinking about position and direction. There has been a lot of practice and much anticipation about Sports Day this week.

In RE the children have heard about David and Goliath from the Old Testament part of the Bible. The artist *Picasso* will be studied over the next few weeks in Art.

## Home Learning

This week there has been another focus on phonics and the children will have brought home sheets with a variety of words for them to read to you. They might be unfamiliar with the meaning of some of the words but this is good preparation for reading alien or nonsense words. The children need to read the focus sound and know the alternative too- ay in play or ai in train or a-e in late for example.

aw - paw  
au - August  
or - for  
ou - pour

ir - girl  
ur - burn  
er - farmer

ie - pie  
i\_e - like  
y - my  
igh - high

ue - blue  
u\_e - June  
ou - you  
ew - grew
