Background

In April 2013, the Government announced new funding of £150 million for Physical Education (PE) and sport. This funding should be used to improve the quality and breadth of PE and Sport provision. The funding is for the period 1 September 2013 – 31 August 2014 and September 2014 to August 2015. This funding is ring fenced to be used for sport specific areas to make an impact in Physical Education and Sport in schools.

Schools are able to determine how best to use this funding to improve the quality and breadth of their PE and Sport provision, including increasing participation in PE and Sport so that all pupils develop healthy lifestyles and reach the performance levels they are capable of.

The following table outlines how we plan to allocate our funding during the academic year September 2014 to July 2015.

| Activity/Expenditure | Rationale for spend and desired impact | Monitoring |
|---|---|--|
| Employ a specialist PE teacher to plan and deliver the PE curriculum to the highest possible standard and to support class teachers in the planning and delivery of Physical Education and sporting activities. | To ensure a consistently high standard of teaching in Physical Education throughout the school. | Lesson observations from the Senior Management Team. Teacher's lesson evaluations. Pupil feedback. |
| Employ a specialist PE teacher to deliver lunch time and after school sports clubs. | Provide a wider variety of high quality, extra-curricular sports activities and encourage greater participation throughout the school. | Number of lunch time and after school clubs provided and the number of pupils involved. |
| Participation in a wide range of Key Stage specific competitions and fixtures through the South Cambs School Sports Partnership. | Increase the opportunities for children throughout the school to participate in competitive sport and inspire a love of sport in a wider range of children. | Monitor the number and range of children participating in sporting competitions and fixtures. |
| Teaching Assistant runs a Change for Life intervention club following training in 2014. | Support targeted children to be more active and enjoy physical activity. This will allow those children to become more active and to develop their core skills in a safe and secure environment. | Pupil feedback. Observations of club. Monitor number of children involved. |
| Purchase Physical Education equipment. | Audit current sports equipment and where necessary, purchase new equipment to enhance the delivery of PE and support sporting activities in school. | Audit of resources. |
| Upkeep of existing Physical Education equipment. | Ensure all sports equipment and facilities, including the mountain bikes and swimming pool are in good working order and where necessary fund repairs or replacements to ensure the best possible provision of the equipment. | Audit of resources. |
| Training for specialist PE teacher. | Ensure the specialist PE teacher's skills are of the highest possible standard and in a wide range of sports to enable the delivery of a full and inclusive PE curriculum. | Lesson observations following targeted training. Pupil feedback. |
