Acorn

Note from teacher

It has been a very exciting week with the children's first school swimming sessions taking place. The children really enjoyed their first lessons and we look forward to many more sessions over the coming weeks.

Have a great weekend!

Numeracy

In numeracy we have been learning how to complete a survey recording our results as a tally. The children completed two surveys; Class Acorn's favourite fruits and Class Acorn's favourite colours. The children were able to discuss the results of their tally charts explaining which was the most and least popular and how many children chose each option.

Outdoor Learning

We managed to make the most of the sunshine on Monday and spent lots of the day learning in the outdoor area. Our new willow dome is starting to sprout and the children enjoyed reading books and role playing inside it.

We also planted tomato seeds and now each child has their own labelled pot to care for and watch grow. We are hoping that our tomatoes will be successful and we can sell them to raise money for the school.

Swimming

Despite the rain all the children thoroughly enjoyed their first swimming sessions this week. They really impressed us with that fantastic listening skills and paid close attention to the rules. They demonstrated some fantastic swimming abilities and enjoyed all of the activities.

The children also enjoyed improving their throwing and catching, ball control and climbing skills with various activities set up in the grassy area.

'Pots and Pans'

We are hoping to create a 'Music Tree' in the outdoor area where the children can experiment and explore sound. If you have any old pots, pans or anything similar we would be very grateful for any donations.
