Acorn

Note from teacher

The children have worked very hard in Class Acorn this week. They have been very busy preparing for their class assembly and have also enjoyed learning about fire fighters and fire safety.
Have a lovely weekend!

Class Acorn's assembly

I have heard how well Class Acorn's assembly went today and I was so disappointed to have missed it. I am really looking forward to returning to Class Acorn to catch up with all their news.

Literacy

This week in literacy the children have been writing imaginative stories about fire fighters. We read the story 'Fireman Sam' for inspiration and then the children wrote their own stories using themselves as the main character.

The children also labelled pictures of fire-fighters and their equipment. The children thought very carefully about the sounds in the words and were able to use their fantastic phonics skills to try and write some quite complex words independently.

The children also role played working in the fire stations office. They answered the phone and recorded all the incidents. They wrote what equipment would be needed and the emergency level of the incident.

This week's mathematics homework is...

123

Fill in the missing numbers on the train carriages. Write your numbers very carefully remembering how to form the number correctly.

'Fire fighters'

This week we have been discussing how fire fighters help us. We discussed the different incidents that fire fighters attend to and the children enjoyed sharing their own experiences of fire fighters.

We also discussed fire safety and thought of some rules to help us stay safe.

Sport Relief - Friday 21st March 2014

We are all looking forward to a fun day next Friday supporting 'Sport Relief' and 'Jimmy's Night Shelter' by wearing our pyjamas or onesies to school or by coming to school dressed as a sporting star! Our community assembly will have a sport inspired theme and fun activities will be taking place during the day.
