

Weekly Review

Wow, what talented children we have in Class Acorn! The children did so well in their class assembly this morning and everyone was so proud of them!
Have a great weekend!

Swimming

The children have been really enjoying their swimming lessons and have really impressed us with their confidence in the water.

In our last few lessons we have been practising mushroom and star floats on our fronts and backs.

Diamond Jubilee

Next Thursday afternoon we will be celebrating the Queen's Diamond Jubilee. We will be having a special Garden Party for the children and they are welcome to bring in party clothes to change into for the afternoon's celebrations.

We would also be grateful for any cakes that you could bring in on Thursday morning for the children to enjoy during the party.

Literacy

In Literacy this week we read 'Handa's Hen'. The children then completed a book review about the story. In their review they discussed the author, what the story was about, the characters and if they would recommend it to a friend.

We also looked at other fiction and non-fiction texts about Africa and observed the traditional African clothing the characters and people wore. We designed our own African clothing and the children shared their work and ideas with their friends.

PE

On Monday the children will be taking part in a Multi Skills event with a visiting school. The children have worked hard this week preparing for the event and are very much looking forward to it. Please could you ensure that your child has their full PE kit in school for the event on Monday. PE kits can then be kept in school as we will be doing some extra PE sessions alongside the children's swimming sessions.

Homework

Find out about the Queen's childhood.

When was she born?

Who was in her family?

Where did she live?

What games did she like to play?

What important events happened when she was a child?

And any other fun facts!

Best wishes
Miss Jones
