Weekly Review

Friday 20th March

Acorn

We have had another busy but very exciting week in Class Acorn as the children prepared to perform their assembly 'At the bottom of the Garden'. The children's confidence really has flourished since September; they are a class of true performers. A huge 'thank you' to the very creative parents of Class Acorn for producing such a variety of spectacular costumes!

We are now looking forward to a week full of Easter fun!

Have a lovely weekend!

Reading Buddies

The children in Class Acorn have paired up with a reading buddy in Class Maple to share books of their choice on Friday afternoons. It has been inspiring to see how keen and excited the children are to share books with one another. They have enjoyed showing the buddies how well they can blend and segment words whilst also discussing characters and illustrations in the story.

This week's mathematics homework is...

123

1+1=2 2+2=4 3+3=

Can your child show you how to record a double as a number sentence. Encourage them to use the + and = sign to display their understanding.

The sheet to record them can be found in their plastic wallet.

Minibeast Adventures!

The children have been on many minibeast adventures this week with a particular focus on ladybirds, slugs and spiders. We discovered their special and unique features, their habitats and the food they like to eat.

The children have thoroughly enjoyed exploring the CBBC website linked to minibeast adventures with Jess. Follow the link below to discover more...
