Acorn

Note from teacher

The children have had a busy week in Class Acorn and are adjusting well to new routines. The children have really enjoyed the start of our new topic and had lots of interesting ideas as to what they thought was in the 'Mysterious Suitcases'.

Have a fantastic weekend!

'The Mysterious Suitcases'

This week we have been trying to decide what to do with the mysterious suitcases.

Who do they belong to?

Why have they been sent to our school?

Should we open them?

The children drew pictures of what they thought might be inside.

Expressive Arts and Design

The children have been using marbles and paint to make pictures. They enjoyed rolling the marbles in the tray to create colourful patterns. The children then looked closely at their work to say what their pattern reminded them of.

Here is some of their work....

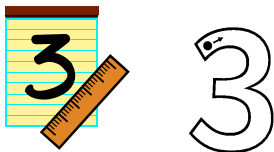

Mathematics

In mathematics this week we have been using the large number line to count to twenty. The children were very good at saying which number was missing by looking at the numbers that were one more and one less to work out the answer.

This week's number of the week is...

Please help your child practise writing the number 3 on the sheet in your child's plastic folder.

'Harvest Week'

On Monday 8th October the children will be going to Bourn Church to take part in lots of fun Harvest activities. We will be reflecting on these activities during the week and then performing a song at the service on Friday.

We will require parent helpers to walk up to the church with the children on Monday morning and to walk to the service on Friday.

Please could you comment in your child's reading diary if you are able to help and we will get back to you with more details.

Notices

- We look forward to seeing you at the phonics talk on Wednesday 10th October at 9.00 am.

Best wishes

Miss Jones, Selina, Helena, Vicki and Katie

Please cut off this slip, sign and return to school on Monday
