

26th September 2016

Dear Parents/Carers

I am writing to thank everyone for the part that you and your children played in making yesterday's 'Bourn to Run' event such a wonderful success. This was the 8th time that we have run the event and we are undoubtedly improving it year on year.

We were, of course, fortunate to have such good weather: ideal for both runners and spectators. The Sports Club's grounds provide a perfect venue for the start and finish of both the races, and there was also plenty of space for all of the supporting infrastructure needed for such an occasion.

I would particularly like to thank Karen Anthony, the Chair of the Bourn to Run committee, as well as the committee members (Gill Reynolds, Ashley MacDonald, Richard Williams, Will Jackson, Nathan Rogers, Lottie Phillips, Jen Hayes, Cara Rushforth, Angela Preston, Jonathan Park, Verity Risby and Katie Roberts) for all of the hard work that they put into preparing and running the event.

On the day itself, lots of others lent their support. Many runners mentioned the encouragement they were given by the course marshals: something that contributes, with the range of facilities available before and after the race, to the enjoyment experienced by so many who now participate in the run year after year.

On Friday we will be presenting prizes during Assembly to the Bourn Primary children who came first in each age group. We will also announce the class which had the most participants in the 3km run. The amount of money raised is not yet known, not least because we have still to receive all of the money from those who were sponsored to run. Could I please ask that this is delivered to the School Office as soon as possible.

Finally, we need a committee to run Bourn to Run in 2017. Can you help? There are a wide variety of jobs that need to be done, and having lots of people involved makes it easy for everyone to do what they are comfortable with. So please do step forward: it's great fun, tremendously important for the School, and a great way to meet new people. Do let Katie, in the Office, know if you are interested.

Yours sincerely

Christine Page
Head Teacher
