

Cedar Weekly Review

Week Ending 5th September 2014

Welcome Back!

The children have been enjoying being part of our new Cedar class this week, getting back into the school rhythm and seeing old friends. Several children have shared stories from their holidays, and if you would like to send in a holiday postcard for us to put up on display, we can add to our class collection!

We have got stuck straight back in to our English, Maths and Science lessons. The children have been discovering some stories from other cultures, investigating how settings and characters are described in our English lessons, and I have been impressed by the range of descriptive vocabulary the children have used. In maths we have carried out investigations to uncover hidden numerical patterns and in Science we have begun to learn all about the properties and uses of rocks. Do ask your child to tell you more!

I am looking forward to meeting you all at the Essential Guide to the Year Ahead evening on the 16th September, but if you would like to see me at any time, please do make an appointment with the School Office.

Mr Edwards

NOTES FROM THE TEACHER

Cedar's PE sessions will take place on Monday afternoons and Tuesday mornings. Please ensure your child has both indoor and outdoor kit on these days – it is easiest if it is kept in school all the time.

Please ensure that every item of your child's school uniform and PE kit (including trainers and slippers) is clearly labelled. Cedar Class has a small cloakroom area so unnamed items are easily lost.

Next week will see the launch of Rosewood and Cedar's new enrichment curriculum theme. To help us out, we would be very grateful if you send in any newspaper or clean drinking straws that you have to spare.

INFORMATION EVENING

Our Essential Guide to the Year Ahead Information Evening will take place on Tuesday 16th September. This provides an overview of the year ahead for Cedar, including information on the curriculum, homework and PE lessons. It is also an opportunity for you to ask any questions that you may have about the year ahead. Mrs Wheatman and I hope to see many of you there.

DATES FOR YOUR DIARY

- Sunday 14th Sept: Bourn To Run
- Tuesday 16th Sept: *Essential Guide to the Year Ahead* Evening.
- Monday 13th Oct: Parent Consultations
- Wednesday 15th Oct: Parent Consultations
