

Class Cherry Weekly Review

Week Ending Friday 30th September 2016

NOTE FROM THE TEACHER

We have had a very busy week in Class Cherry. The children have been finding out more about their Enrichment topic and have enjoyed researching Egyptian Civilisation, using books, websites and short videos. Everyone worked very hard on their Charity Presentations this week and there were many worthy causes to choose from. Class Cherry has also been busy preparing their dance for their Harvest Festival which we are all excited to see next week!

Miss Cliff

English

Following on from our work last week on the characters of The Lion, The Witch and The Wardrobe, the children have been preparing to write their own chapter in the style of CS Lewis. We have all been very creative with our ideas and I am looking forward to reading them all soon!

Maths

This week the children have started a new unit in Maths on fractions, percentages and decimals. The children have been applying their knowledge to shopping sales and discounts. The children have enjoyed solving these problems and, even though some of them were tricky, the children rose to the challenge!

Science

The focus of this week was testing the strength of different types of paper and tissue. The children were extremely independent when deciding what they wanted to use the paper for whilst conducting their experiments: some children made bridges whilst others tested the paper against given weights. We all enjoyed looking at how strong each of the materials was and considering the practical implications of our results in real-life contexts.

DATES FOR YOUR DIARY

11th, 13th, 18th, 20th October – Parent consultations

21st October – Cherry Assembly

24th – 28th October – Half term
