Weekly Review

5th December 2014

Hazel

This week we have been busy practising for the KS1 performance of 'The Christmas Recipe'. The children are enjoying singing the songs and learning actions and dances for each scene. We are sure you are getting to know some of the songs too!

Our rehearsals will continue next week as we add the finishing touches to the performance. It was lovely to see so many of you join us this morning for our KS1 Special Projects Assembly. The children have loved presenting their models to each other and describing how they made them. Have a lovely weekend.

Mrs Daniels & Mrs Robinson

'Read Write Inc'

We have all been working extremely hard in Read Write Inc sessions and making lots of progress in our recognition of speed sounds and our ability to transfer skills to our independent writing. From next week we will be in our own classes for literacy lessons so no RWI books will be sent home. Children will continue to bring home their free choice book from the classroom.

Mathematics

This week we have been looking at doubling 1, 2 and 3-digit numbers, looking for patterns and seeing the relationship between doubling and halving numbers. We will soon be moving on to look at shape which will link well with some of our planned Christmas activities.

Diary Dates

The remainder of this term is looking very busy with lots of Christmas activities and events planned:-

BSA Christmas Capers - Sat 6th Dec, 2-4pm
Church Carol Service - Weds 10th Dec, 6pm
Christmas Plays - Tues 16th & Weds 17th Dec
Christmas Lunch - Thurs 18th Dec
Talent Show & End of Term - Friday 19th Dec

Notices

Christmas Capers

We hope to see lots of you in school tomorrow for our annual Christmas Capers. The children are very excited about the prospect of seeing the school filled with Christmas activities. Thank you for all your gifts for our class hamper which will feature in the raffle.

Play Props - Parent Volunteers

We are still looking for lots of creative hands to help create props for our Christmas play. Please contact us or Katie in the office if you are able to help.

Play Props - Box Collection

We are still in need of giant boxes to use as large presents in our play! If you have any please send them in to school as soon as possible.

Thank you for all your support!

KS1 'Special Projects' Homework

Once again we are amazed by the variety of models that the children have brought into school. They make a spectacular display!

Homework

Continue reading daily at home looking at your sounds and practise reading your speed words.

Best wishes

Mrs Robinson & Mrs Daniels
