

Hazel

Weekly Review

Friday 16th January 2015

Hazel

We have had a busy and fun week in Class Hazel and the children have worked hard in all areas of the curriculum.

The class enjoyed visiting the Year 6 area of the school to take part in their Charity Games afternoon. Class Maple had worked hard to devise a range of activities for the children to enjoy.

All monies raised will go towards our charity which this year is The Royal British Legion. Thank you for supporting this!

Have a lovely weekend. *Mrs Robinson & Mrs Daniels*

'RE'

In RE this half term we will learning about Sikhism and the similarities and differences between Sikhism and Christianity.

'Science'

In Science this half term we will be looking at the development of animals (including humans), creating timelines and lifecycles for humans, frogs and butterflies. We will go on to look at eating healthily and keeping fit and the importance of exercise.

'Maths'

In Maths this week we have continued developing our addition and subtraction skills as well as our mental maths by adding and subtracting 1 and 10 from 1, 2 and 3-digit numbers.

Homework

Topic Homework - to design a crown for the Queen!

Please return this homework to school next week.

Mental Maths/X Tables - the children are tested on Friday either individually or in small groups to test their mental maths skills.

'London'

We embarked upon our top secret mission to help the Queen by splitting into teams to investigate. We decided upon our team name and logo and our own secret agent name. The children really enjoying designing their own badges which we are going to wear in all of our topic sessions. The teams then began to work on action plans to decide upon how we need to begin our investigations.

If you have any information leaflets, maps, train timetables, postcards etc at home we would greatly appreciate them to use in our enrichment curriculum lessons. They will also be very useful in our role play area which we are going to set up shortly.

Notices

PE Kit

Please could you ensure that your child has their full PE kit in school **all week**. Our lessons are Tuesdays and Fridays

but on occasions the days may have to be changed. Please could all items of clothing be clearly labelled to avoid lots of items getting lost.

Water Bottles

Please can all children bring a named water bottle into school each day to store in the classroom. Thank you for your help with this.

Best wishes

Mrs Daniels & Mrs Robinson
