

Hazel

Weekly Review

Friday 16th May 2014

Hazel

We have made the most of the sunny weather this week by using the nature reserve for a variety of activities this week. Our outdoor area has also come in useful in lots of our lessons and now contains both a sand and water tray, along with lots of under the sea themed activities. We are looking forward to using these areas more throughout the summer term.

Have a lovely weekend,
Miss Hayes

Literacy

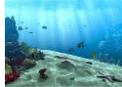

This week we have enjoyed reading the book 'Tickly Octopus'. After reading the story in our best storyteller voices, we discussed how we could adapt the story slightly to create our own versions. Each child created a story circle depicting their story and then wrote their sentences into their Literacy books.

Numeracy

123
4567
8910

Our focus this week has been money. First we familiarised ourselves with the different types of coin, playing lots of games to help us recognise their value. We then learnt how to add together different coins, applying this when buying items in a toy shop. Some of the children were also able to find the correct change after they had purchased their items.

'Voyage to the Bottom of the Deep Blue Sea'

Our class aquarium is now taking shape and we will soon be revealing the winner of the logo homework competition. The children enjoyed creating collage fishes in art to decorate our classroom and we have learnt lots of octopus facts this week, linked to our story in Literacy.

Nature Reserve

In the nature reserve this week, the children were each given a card with different shades of green on it. Their challenge was to find something natural that matched each shade of green. We learnt that the colours in the nature reserve are constantly changing, depending on the time of the year.

Religious Education

On Monday we watched an animation of the Bible story 'Jonah and the Whale'. We enjoyed discussing the story and the characteristics of God that are displayed in it. We then created some whale related artwork. Our 'key words' and artwork will soon be displayed on the Religious Education board in the school hall for you to see.

Notices

Swimming - Class Hazel will swim on **Mondays, Tuesdays and Thursdays!**

Please could you ensure that your child has their full PE kit in school all week.

It would be really helpful if kits could include the following:-

Shorts , T-shirt

Jogging Bottoms

Indoor plimsolls, Outdoor Trainers

Please could all items be clearly labelled.

Thank You!

Best wishes
Miss Hayes
