# Weekly Review

Friday 17<sup>th</sup> April 2015

Hazel

We hope you all had a wonderful Easter break. The children came back full of news about activities they have enjoyed during the holidays. They have worked very enthusiastically this week and are looking forward to lots of new and exciting events this half term including swimming and spending lots of time outside in the school grounds and nature reserve!

Have a lovely weekend. *Mrs Daniels and Mrs Robinson*

## Read Write Inc

The children really enjoyed adding to their diaries at the start of the week, recalling lots of their Easter adventures.

The children also started in their new Read Write Inc groups this week and have been enjoying sharing the new sounds and skills learnt with each other.

## Maths

123  
4567  
8910

The children have been using their number skills this week to explore different number patterns. They have impressed us with their mental maths skills and how well they have remembered some of the trickier concepts we learnt last term. They have also been studying fractions of objects and whole numbers which is a topic we will be looking at for the next 3 weeks. Mental Maths and Times tables testing will resume next week.

## Homework

### Read Write Inc

You will find your new Read Write Inc books in book bags to practise reading and speed sounds.

### ? Enrichment Curriculum ?

We will be launching this term's new theme next week and we are sure the children will love it!

**Topic Homework** - our first topic homework this term will be set next Thursday after our topic launch at the start of next week.

## Church Visit

The children really enjoyed their visit to church this morning for our whole school Easter Service with Reverend Alexandra.

Thank you to all the parents who volunteered to walk with us.

## PE Notices

**Swimming** - Class Hazel will swim on **Tuesdays, Thursdays and Fridays.**

Please can all children have their kits ready to begin lessons **week beginning 27<sup>th</sup> April.**

Please could you ensure that your child has their full PE kit in school all week.
