

# Maple Weekly Review

Week ending: 16<sup>th</sup> June 2017

It's been another busy week in Class Maple as the children have continued to work on their writing skills this week and have produced some excellent pieces. Thank you to those parents who have volunteered to help with the leavers' BBQ – we are still looking for more help with the organisation and running of this event so if you are able to come or support us in some way, please do let us, or Katie, know.

Have a lovely weekend!

## Maths

In Maths, the children have continued solving the Murder Mystery Maths puzzles – involving problems using semaphore, angles, percentages, calendar dates and braille! They also completed a Maths codebreaker puzzle where they had to decipher a number and letter code.

## Art

This week in Art the children completed some wonderful still-life drawings in the Nature Reserve. They were looking at how to shade, showing depth and volume. The children chose a shady spot in the Nature Reserve for their individual study and the lovely weather certainly helped!

## Rock UK Meeting

Thank you to all those parents who attended the Rock UK Information Meeting. If you were unable to attend, please do not worry; you should have now received the information pack which included a packing list and the medical form. If you haven't already done so, please could you complete this form and return it to school as soon as possible and you have any further questions regarding our residential visit, please do not hesitate to get in touch

## DATES FOR YOUR DIARY AND NOTICES

- Bourn Proms – Friday 16<sup>th</sup> June
- Sports Afternoon – Wednesday 21<sup>st</sup> June
- Taster morning at CVC – Wednesday 28<sup>th</sup> June
- Rock UK residential visit – w/c Monday 3<sup>rd</sup> July
