## Weekly Review

Week Ending 14<sup>th</sup> September 2012

What's been happening this week?

### Assessments and Guided Reading begin and our topic is introduced!

It was great to see all the children having a go and trying their best in their assessments this week. The children have been very busy completing Numeracy, Mental Maths, Reading, Writing and Spelling assessments. They have also enjoyed forming guided reading groups this week and have begun working hard in these groups. The groups will rotate between a variety of comprehension, group and independent reading activities. It is fantastic to see that most children are reading with you in the evenings and using their reading records effectively. This week was especially exciting as our topic for the term was introduced. The children in Key Stage 2 will be learning all about the Victorians! They began by stepping into the boots of expert crime-scene investigators and have been exploring the evidence relating to the death of Pip Davenport. We all look forward to continuing our investigations...!
