

Weekly Review

Friday 1st March 2013

We had such a wonderful time at the Science Museum in London on Wednesday, the children were incredibly well behaved and I was very proud of them all. It was clear they had listened very carefully to all my instructions about staying safe, as they were very attentive and stayed close to their group leader throughout the day. I would like to say a big thank you to the adult helpers, as without this additional help the trip would not have been possible. I hope you all have a lovely weekend.

Mrs Davidson ☺

Our London Science Museum Visit - Wednesday 27th February

...in our own words by Class Willow!

When we arrived we met an astronaut called *Gene Cernan*. He was the last man on the moon in 1972. His rocket was called 'Apollo 10.' He told us lots of things about space.

Izzy: "When we all met an astronaut called *Gene Cernan* he was awesome because he told us loads of facts."

Callum.P: "We saw an astronaut who was very funny. He told us how to use the toilet in space!"

Laura: "He told us he was the last man on the moon."

Prosper: "He told us about how rockets get away from gravity and the atmosphere around the earth."

After our lunch we went to the 'Space Gallery.

Sophie: "I really enjoyed the space gallery. When I saw the space crafts I was amazed."

Ted: "I did love the globe because it spun around and I came around with it."

James: "The globe was really interesting because it was powered by lights."

Joe: "The space pants were hilarious, I laughed to bits!"

Molly: "We saw what they eat and drink in space and what their kitchen looked like, the kitchen is quite small."

KS1 'Special Projects' Homework

To design and make a 'space' model

Please could all models be returned to school by Tuesday 26th March so that we can display them in our classroom. Thank you.

Notices

Please can you send in any junk modelling materials you have at home for a space display we are working on, yogurt pots, kitchen roll tubes, pizza boxes and bases, cereal boxes, foil cases/trays. Thank you.

A date for your diary - Easter Activity Morning
(Wednesday 27th March, 9.00-11.30am
More details to follow shortly

Best wishes
Mrs Davidson
