

# Weekly Review

Friday 4<sup>th</sup> July 2014

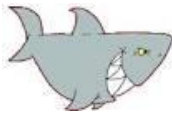

Willow

Willow

It was lovely to see so many of you in school this morning for our final class assembly of the year. Thank you for helping us to learn lines, sing songs and make some amazing costumes. You will be relieved to know that there will be no further homework this term or requests for outfits but please save the costumes for one more event planned in 2 weeks' time - more details to follow!

Have a lovely weekend.  
Mrs Robinson & Mrs Daniels

## Literacy

We have continued to work on our sea creature information booklets which are taking shape. We have spent time talking about the features of an information book and the children have been enjoying doing lots of research and planning what they are going to include on their book covers.

## Numeracy

We have built upon what we learnt about fractions of shapes last week by learning how to find fractions of numbers. We began by halving numbers and some of the children progressed to finding quarters and thirds of a number. We discussed the similarities between finding a fraction of a number and division.

## 'The Octonauts meet Smiley Shark.....'

As you could see from our performance this morning we have had lots of fun practising for our assembly this morning - mainly practising our singing and dance moves! The children have really loved our 'Under the Sea' theme this term which I am sure came across to you. We took lots of photos after the assembly of the children in their fantastic costumes which we are going to include in topic books.

### **Seaside Visit to Hunstanton - Wednesday 9<sup>th</sup> July 2014**

A separate reminder letter has been emailed regarding this. The children are very excited and we are hoping for a lovely sunny day to make the most of our visit!

## VELO GAMES

To celebrate the Tour de France coming to Cambridge, Bourn School will be hosting its own 'Velo Games' on Tuesday 8<sup>th</sup> July.

The event will take place from 2-4.30pm and parents are welcome to watch the races.

Just a reminder that participating children should bring their bikes and helmets to the school playground first thing in the morning in order for them to be checked.

## Swimming

A problem with the pool is currently being repaired but we hope to be swimming again next week but only on **Thursday 10<sup>th</sup> July** due to our seaside visit on Wednesday. Please ensure your child has their full swimming kit and PE kit in school on Thursday. Thank you.

Thank you!

Best wishes  
Mrs Daniels & Mrs Robinson
