

Willow's Weekly Review

Friday 7th October 2016

Curriculum News

What a fantastic and busy week we've had! We all had an absolutely wonderful time on our trip to Mountfitchet Castle on Wednesday and learnt lots more about Norman castles. It was lovely to see real-life versions of the things we've been learning about in school, and we were very lucky to have good weather too! We have spent a lot of time this week practising for our harvest festival and for our class assembly next week - which was demonstrated with our great performance at the church this morning. Well done Willow! Be prepared for more practising next week, though, for our class assembly! It would be great to see as many parents and/or supporters as possible there on Friday to cheer us on.

Notices and Reminders

Please could you make sure your child has this in school every day. We'll send it home at the end of every half term to be washed.
