Weekly Review

Friday 24th April 2015

Willow

I hope you all had a wonderful Easter break. The children have settled back into the school routine and have been making a real effort to follow the school rules. They came back full of news and information about activities they enjoyed during the holidays. The children then wrote some wonderful pieces in their school diaries about their antics over the holidays. All the children felt really proud when they looked back through their diary entries over the year and how much they have improved!

I am looking forward to all the progress they will make in the last term.

Have a lovely Weekend

Miss Silk ☺

Science

In Science this week the children went on a tree hunt to look at the different species of trees. We learnt about the two types of trees Deciduous trees and Evergreen trees.

I wonder if they can tell you the difference between the two?

Maths

123
4567
8910

This week the children began learning about multiplication. We learnt how to group objects into 2s and 5s and record our results.

e.g. 3 lots of 2 is...

3 groups of 2 is...

Homework

Continue **reading** daily at home, looking at sounds and speed words in our Read Write Inc books and note this in the reading record booklets please. (Pupils also can select a free choice book from class. This may be one they can read or one they would like you to read to them.)

Notices

Bank Holiday - Monday 2nd May

Class Assembly - Friday, 20th May

Term closes - Thursday, 26th May

Swimming - Please can all children have their kits ready to begin lessons the week beginning 25th April

Mondays 10.45-11.45pm **Thursdays** 10.45-11.45pm and **Fridays** 2-3pm

It would be really helpful if kits could include the following:-

shorts, t-shirt, jogging bottoms indoor plimsolls, outdoor trainers.

Please could all items be clearly labelled. Thank You!

Best wishes

Miss Silk
