Willow

Willow

It was a fantastic start to the week seeing so many parents at Tuesday's Information evening. It was a great to see so many familiar faces and meet some of you for the first time. I know there was lots of information to take in but I hope you found it informative. If you have any unanswered questions, please do not hesitate to contact me. For those of you that couldn't attend I will send home a timetable and our Year 1 Curriculum Plan for you and I look forward to seeing you all at the parents' evening coming up before half-term.

Have a lovely weekend. Miss Silk ☺

English

The children have been looking at poetry this week. We began by reading and performing poems by Michael Rosen and learnt about some of the features of poems.

Some pupils also brought in their own poetry books to share with the class. Later in the week pupils were split into groups and given a different poem to rehearse and add actions to.

We ended the week with some fantastic performances of each poem.

In Maths we began the week by continuing our work on number formation, counting to 20 and some children even managed to count to 100! We continued to develop our knowledge of number and understanding the value of numbers especially teen numbers. The children used cubes to help them understand the digits in a teen number! They then applied these skills when calculating addition number sentences. We definitely have some future mathematicians in our class!

Bourn to Run

The event on Sunday was a huge success and you will have received a letter from Mrs Page this week about it. I was fortunate enough to be standing on the finishing line and I was able to see lots of Class Willow pupils participating! Well done Class Willow!

Homework

This week we have discussed what we can do to help others. For homework I would like pupils to record the things they do to help others.

Please return completed homework by Tuesday 23rd September.

Notices

Lost Property

Please ensure all coats, jumpers and fleeces are clearly named. The cloakroom can become quite full during the winter months and this helps us to make sure everything goes back to the correct owner!

Celebration Box

Please share your child's success with us. The celebration box can be found outside Willow classroom. Please tell us about any achievements or things that you are proud of your child doing. We will then share this with the class.

2 litre Plastic Bottle Appeal!

Thank you for all the bottles sent in so far, we are building up quite a collection. However, we still need a few more so please keep sending them in. Thank You!

Best wishes
Miss Silk
