

Willow's Weekly Review

Friday 22nd September 2017

I'd like to take this opportunity to thank those of you that attended *The Essential Guide to the Year Ahead*. I hope that you found the evening useful and informative. Please do not hesitate to speak to me if you have any further questions. For those of you that were unable to attend, an information pack has been sent home with your child.

Good luck to all those taking part in our annual Bourn to Run event this Sunday.

Have a lovely weekend.

Curriculum News

In maths we have been practising our counting, using the vocabulary 'more' and 'less' and finding missing numbers. In R.E. we read *Genesis Chapter 1* and created a posters to show what God created on each day. In science we discussed the weather and created a weather wheel. We had lots of fun finding and dancing to the beat and warming up our voices in our hip hop music lesson. Our brains have been busy learning the names of planets and interesting facts. Ask your child what they can remember! We ended the week by planning and writing a description of Mog! I was *very* impressed!

Notices

- **Bourn to Run** - This fantastic event is taking place this Sunday. We look forward to seeing you there!
- **Junk modelling** - Please continue to bring in junk for our junk modelling corner. Thank you for all donations so far.
- **Celebration cards** - Please continue bringing them in so we can share them with the class!
- **School Council** - The elections have taken place and the successful councillors for 2017-18 were announced in Friday's assembly. Congratulations to Avish and Betty who will be representing Willow Class this year on the School Council.

Reading and Home Learning

Please comment with what page your child is up to or if they have finished the book, so that we can change it.

Home Learning is handed out on a Thursday and due in on Tuesday.

Your child's home learning this week is to find an interesting space fact. Hopefully they will be able to share their fact with the rest of the class!
