

Weekly Review

Friday 29th June 2012

We have had a fun filled week with some exciting events that have kept us all very busy! The children were all exceptionally well behaved during our trip to Petersfield on Tuesday and demonstrated excellent manners throughout the morning. We thoroughly enjoyed all the delicious food at the French café; during the morning the children enjoyed creating their own French hats and had a go at completing a French word search! I hope you all have a lovely weekend.

Sports Event at Petersfield

Class Willow thoroughly enjoyed their sports events at Petersfield School in Orwell. The children worked hard in their teams to try out and explore many different athletics, fielding and striking events.

They all tried their best and improved their scores on the second circuit of activities. The children learned about friendship with children from another school and respect for the team of Year 6s who led the games.

The children were treated to a specially made biscuit snack at half time and enjoyed the picnic in the shade at lunch time.

Le Café Français!

Class Willow enjoyed Thursday morning helping in the French Cafe, practising their French conversation and eating and drinking.

They changed their £1.00 into Euros in the 'Bureau de Change' and were then faced with a choice of delicious croissants, brioches, fruit and hot chocolate!

Literacy

Whilst the Year 1s swam the Year 2s showed just how grown up and ready for Year 3 they are becoming! The children were set the challenge of creating a page in the style of the Artist Jane Ray. They took their descriptive writing from 'A Balloon for Granddad' and used different techniques to capture the images and colour in a fully illustrated page.
