

# Cedar Weekly Review

Week Ending 20<sup>th</sup> January

## NOTES FROM THE TEACHER

It's been another busy week in Class Cedar. The children are very much settled into the new term and have been working really hard towards their new targets and learning objectives. Now that the cold has really set in, please could you ensure your child has a coat with them each day?

### English

This week in English we have been thinking about story settings. We looked at a variety of images and listened to some interesting sound effects to give us inspiration and then came up with adjectives to describe the settings they made us think of. We then read a range of fantastic setting descriptions and identified the adjectives and use of the senses within them.

### Maths

In Maths this week we have been learning about measure. To start the week, we reminded ourselves of the values of m and km and carried out conversions between the two, remembering that 1000m = 1km. Next we looked at a variety of scales and learned how to work out the increment for each one.

### Enrichment

In Enrichment we completed the launch of our new unit, "Endangered". We are going to learn about climate change and its impact on the environment. To start us off we made hand puppets of different endangered animals.

### R.E.

This week in R.E. we continued our unit, entitled "Why Pray?" We considered the different reasons why people of all different faiths might pray, be that to worship, as thanks or to seek guidance or solace.

## DATES FOR YOUR DIARY

*Due to unforeseen circumstances,  
Cedar's assembly has been postponed to  
17<sup>th</sup> March*

## HOMEWORK

**MATHS:** Problem solving

**ENGLISH:** Adventurous vocabulary

**RETURN SLIP** Please sign and return this slip on Monday.
