

# Weekly Review

23<sup>rd</sup> February 2018

Hazel

Hazel

We hope you had a restful and enjoyable half term. We have enjoyed seeing the Decades projects start to arrive and as always the children have impressed us with their creativity and hard work. Many thanks for your support with this home learning. We're looking forward to International Week and hope to see lots of you next Thursday evening, when we will be sharing some of the children's Diwali activities from the week and joining with other classes to sample various foods from around the world.

Well done to all the children who have managed to come in without their parents in the morning; it might feel tricky at first but we are sure everyone will get used to it soon!

Have a lovely weekend  
Mrs Lindon and Mrs Reid

## Curriculum News 5 10

### English

We had a lovely morning at Addenbrooke's Teddy Bear's Hospital on Wednesday and have been learning how to write about what we did, using the third person, past tense and time adverbs. Thank you very much to the parents who accompanied us on the trip.

### Maths

This week we have been learning about 3D shapes, describing their faces, edges and vertices and grouping them in different ways.

### Science

We have explored the importance of exercise and how our bodies change when we exercise. The children observed differences in their breathing, body temperature and muscles.

### Home Learning

Decades 'Recipe' and Maths 3D shape sheet.

### Spellings

These will be tested next Thursday. The focus is on a second set of words with the suffix -ed, this time words that end in -y. The rule is 'Swop the -y for an -i before adding -ed.

try -> tried, copy -> copied,  
reply -> replied, hurry ->  
hurried, multiply -> multiplied,  
fry -> fried, study -> studied
