

Willow's Weekly Review

Friday 27th April 2018

The children had a fantastic morning on Wednesday taking part in the Year 1 Multi - skills festival at Comberton Village College. The children were fantastic representatives of Bourn Primary; they listened and were extremely polite. I felt very proud; well done Class Willow. The children are working hard on their papier maché globes, if you have any unwanted newspapers at home please bring them into school so we can recycle them ☺ Thank you.

Have a lovely weekend,

Multi - Skills Festival

On Wednesday morning, the class were given the wonderful opportunity to take part in a multi - skills festival at Comberton Village College. Lots of other local schools were there, so it was nice for the class to see other Year 1 children.

The class were split into 3 teams; Chimpanzee, Gecko and Ant. The children all took part in 11 different activities such as hula hooping, skipping, Simon says, target throw and under arm throwing to name a few.

The children were incredibly well behaved the entire morning and brilliant ambassadors of Bourn Primary. It was a tiring morning, but the children had lots of fun and all left with a smile on their face.

Curriculum News

During maths this week the children have still been enjoying their learning on Fractions. We are still focussing on half, but have moved onto finding half of a number and showing half in different ways. The class are enjoying their learning about fractions and are excited to learn about quarters next week!

In English the children were tested on their spelling. Over two weeks, the class have been spelling the first 100 High Frequency words. Everyone did an incredible job and most of the class tell me that they love spelling tests!

In R.E. the children have been thinking hard about morals, and the lessons that fables can teach us.
