

# Pedar's Weekly Review

Friday 22<sup>nd</sup> June 2018

This morning we enjoyed an interesting Enrichment assembly. It was lovely to see and hear what the children in KS2 have been learning about throughout the year. It was also wonderful to welcome parents into the classroom yesterday afternoon to look through their children's books with them. The children work so hard, and I think they really enjoyed the opportunity to show their hard work off with pride. Thank you for taking the time to come in and show your support.

## DT update and request

We have been working hard on our shell structure containers over the last few weeks: designing them, planning each step, making prototypes and then adapting our designs accordingly. The next steps are gathering the required resources and then constructing the finished products. For this, we would really appreciate some help from parents. We will be spending the next week or so making sure we have the resources we need, and then plan to make our final containers on **Wednesday 4<sup>th</sup> July, 9am-midday**. If you are able to help, please let us know. You do not need to be a creative expert to volunteer! Thank you.

## Curriculum update

**English:** This week we have been looking at newspaper front pages. We have looked at various examples of them, discussed the key features in them, and then read an article all about the Big Bad Wolf trying to eat Little Red Riding Hood! Next week we will be using what we have learnt to create our own newspaper articles/ front pages.

**Maths:** Continuing with time, we have learnt the Roman numerals to 12, read the time on Roman numeral clocks and even read times reflected in mirrors! It was very tricky!

**Science:** Do you know the names of the interior parts of a plant and what their functions are? Hopefully your child will now as we dissected flowers this week to find out!

## Dates for your diary

- ✚ W/C 2<sup>nd</sup> July – Last week of after school clubs
- ✚ Thursday 5<sup>th</sup> July – Moving on morning (children spend the morning with next year's teacher/s)
- ✚ Friday 13<sup>th</sup> July – Music assembly
- ✚ Friday 20<sup>th</sup> July – Last day of school for children (whole school picnic outside at lunch)
- ✚ Monday 23<sup>rd</sup> July – Teacher training day (school closed for children)

## Lost property

There are a few children in the class who have lost items of clothing/ footwear, despite it being named. Please could you kindly check your child's uniform, shoes and PE bags to ensure they haven't accidentally brought home another child's belongings?
