

Weekly Review

7th September 2018

Acorn

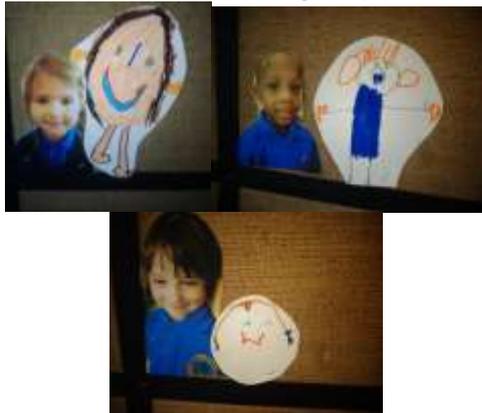

The children have had a super week settling into Class Acorn. By now all of the children have started and are coping incredibly well with new school routines and rules. Selina and I have thoroughly enjoyed getting to know the children and exploring their interests. We look forward to spending more time with the children next week as they stay longer for lunch. You will have received an email from the school office to invite you to spend lunchtimes with your child next week.

Acorn

Getting to know you.

Our topic this term is Getting to know you. We have introduced ourselves to each other and have started to explore our interests, likes and dislikes. Your child will have a brown bag; 'All about me' bag in their plastic wallets with some instructions about how to fill them. Children will be invited to present their items as soon as next week if they have been returned and we will try to present as many as possible each week. We look forward to hearing about their treasured possessions.

The children have had fun looking in the mirror and drawing a picture of themselves for our classroom display and next week we will be completing jigsaws of our faces and using loose parts to make a funny face to display in the art gallery.

Exploring our environment.

We have enjoyed exploring the classroom and outside area. It is hard work learning where everything lives so we have all been helping each other out especially when it is tidy up time. Selina and I are super proud of how well the children have worked as a team to take care of the classroom. Next week we will explore the green grass area. This area was renovated before the summer holidays by the previous Acorn parents and carers and now features a new digging area, a fairy garden, water chute, improved mud kitchen, pulley system and a construction area. Please can you provide your child with a pair of wellington boots that can stay in school for the year so they can access the green grass area and nature reserve in all weathers. Boots are stored on the stand in the outside area and will need to be named.

Notes

Thank you for your patience this week with morning routine and drop off. At the beginning of the school year it can be quite busy in the classroom and corridor. Over the next week we will aim to encourage children to enter the classroom and sign in by themselves so it is a much calmer experience for the children. Children will also practise putting their plastic wallets in the blue boxes before hanging their book bags on their pegs. Please could you support your child to do this before entering the classroom.

Could you also ensure your child has a named water bottle in school. The water bottle can stay in school and can be refilled each day.

Dates for your diary

Wednesday 19th September: Essential guide to the year ahead - 7.30pm

Sunday 23th September: Bourn to Run

Friday 5th October: Harvest Service in Church (for pupils and staff)

Best wishes

Mrs Tagger and Selina ☺

Please cut off this slip, sign and return to school on Monday
