

Class Cherry Weekly Review

Week Ending 7th September

NOTES FROM THE TEACHER

It has been lovely getting to know the children this week and we have been very impressed already with the hard work attitudes, polite manners and the maturity of the children. We have had a busy first week setting our expectations for the year, beginning our curriculum subjects and learning all about the 'Growth Mindset'. We have even created beautiful blossom tree art!

Cherry's P.E. lessons will be on Mondays and Wednesdays this academic year. English homework was sent out this week and full homework routines will commence from Monday. Please see the homework timetable below. Note that all homework is expected to be completed to a high standard. If for any reason your child cannot complete their homework, we ask that they are forthcoming in communicating with us themselves.

Bourn to Run is taking place on 23rd September and we look forward to seeing many of you there, as well as at the Essential Guide to the Year Ahead evening on Wednesday 19th September.

Mrs. Smith and Mrs. Faulkner

English

We started the week by revising expectations for setting out work and also for using basic punctuation. We have begun our unit of work on 'Biographies and Autobiographies' this week. The children have produced a short autobiography to show us their writing skills and the task also was an excellent opportunity for us to get to know the children more.

Maths

The children have been developing their understanding of place value this week. We practised reading and writing numbers in figures and words and used a range of resources and diagrams to help us visualise place value.

Science

Our science lessons this half term will be about materials and their properties. The children have been on a learning walk around school looking at how materials are used and why they have been used.

DATES FOR YOUR DIARY

19th September - Essential Guide to the Year Ahead evening

21st September - Cherry Class Community Assembly

23rd September - Bourn to Run
