

# Willow's Weekly Review

Friday 21st September 2018

It was good to see so many of you at 'The Essential Guide to the Year Ahead' on Wednesday evening. I hope that you found the evening helpful and informative. Please do not hesitate to speak to me if you have any further questions. For those of you who were unable to attend, an information pack will be in your child's book bag.

All the best to everyone who is taking part in Bourn to Run on Sunday. I will be there bright and early!

Have a lovely weekend  
Mrs Balls and Mrs McKeever

## Curriculum News

In Maths we have been practising our counting, using the vocabulary 'more' and 'less' and finding missing numbers. In English lessons we have been focussing on capital letters and full stops and also using adjectives to describe. We ended the week by planning and writing a description of Paddington Bear using plenty of interesting adjectives. We have been discussing Seasonal changes in Science and looking for signs of Autumn in the Nature Reserve.

## Notices

**Bourn to Run**- We look forward to seeing you on Sunday morning.

**Cake Sale**- To help raise funds for the BSA this term, each class in KS2 will be taking it in turns to run a cake sale outside the school entrance on the last Friday of each month.

**Our first sale is Friday, 28th September, run by Class Maple.**

**Celebration cards**- Please continue bringing them in so we can share them together as a class on Friday afternoon.

**Paddington Bear**- The class bear and Adventure book will come home with a different child each Friday and he doesn't need to be returned until the following Thurs/Friday. You will only have him as a house guest once in the school year!

**School Council** The elections have taken place and the successful councillors for 2018-19 were announced in Friday's assembly. Congratulations to Alex and Ella who will be representing Willow Class this year on the School Council.

## Reading and Home Learning

Please note which page your child has read up to or if they have finished the book so that we can change it.

Home Learning is handed out on Thursday and due in on Tuesday. This week your child's home learning is to find an interesting fact or two about Castles. Hopefully they can then share this with the rest of the class.
