We had a great day today and all enjoyed sharing our assembly with you. We hope you liked it. We have had lots of fun this week practising it, learning our lines and our song and trying hard to project our voices. I think the children did a wonderful job. Thank you all for your help in supporting your children with learning their lines and for showing your support today.

It was lovely to meet so many of you at the parent's evenings this week. I look forward to meeting those of you attending next week's meetings.

Maths

This week we have consolidated our understanding of the column method for addition and we have tried using it for trickier sums. We have looked at word problems from which we have derived number sentences and then used our preferred addition method for working out the answer. We have also been learning how to interpret pictograms.

English

This week we have been learning to retell a story using prompts. After agreeing our five prompts together as a class, we used these to retell the story of Rama and Sita in our own words. We wrote a first draft and then reviewed this in pairs and improved it by correcting punctuation, adding in adjectives, prepositions and speech marks.

Dates for your diary

- 16th October 4:30-7:00pm Parent Consultations
- 17th October 3:30-5:00pm Parent Consultations
- 18th October Flu Jabs
- 19th October Music Assembly

Due to the half term break, the monthly BSA cake sale will be held next Friday, 19th October, run by Class Cherry. We hope you will stop by the cake sale after school for some delicious treats. Thank you all for your support!

Enrichment

We have continued our work on inventors and inventions through time and this week year 3 have looked at the changes in transport over the last 200 years. The children ordered a range of different transports on the timeline by date recognising how they had changed over time.

Art

This week the class enjoyed some colour mixing using primary colour paints and they created their own colour wheels.

Home Learning and Test Results

Maths: Pictograms, due Wednesday	Spelling Results:	/10
Times Tables: 2,5,10,4 times tables, for next Friday	Times Tables Test:	/10
