

Class Cherry Weekly Review

Week Ending: 12th October

NOTES FROM THE TEACHERS

This week we have welcomed trainee teachers Miss Weiden and Miss Madden into the classroom who will be in Cherry class for the next four weeks observing and working with the children. Our class have made them very welcome.

It has been wonderful to meet with so many families at Parent Consultations this week and we look forward to the second round of meetings next week.

Cherry class will be holding a cake sale on the last day of term so now is a great time to start planning those sweet treats!

English

This week we have continued with our work on instruction texts and the children have had lots of fun creating their own board games and writing instructions on how to play the game.

Maths

In Maths we have been looking at ways in which we can check our written calculation answers. The two strategies we practised were rounding numbers to mentally calculate approximate answers and also to carry out inverse operations to see if our answers are the same. We have also looked at how to answer word problems using BACPAC!

Science

In Science we have looked at separating mixtures and dissolving.

Enrichment

This week we have been studying hierarchy in society in Ancient Egypt. We found out more about Pharaohs, government nobles, priests, scribes, artisans, peasants and slaves and looked at their power, wealth and status in society.

DATES FOR YOUR DIARY

8th, 10th, 16th, 17th October - Parent consultations

22nd - 26th October - Half term

HOMEWORK

MATHS: Maths homework will be given out on Fridays and will be expected in on Wednesdays. This week's Homework of the week was awarded to Amishi, Imogen & Milena.

ENGLISH: English homework will be given out on Wednesdays, along with spellings and due in on Mondays. This week the children are practising using brackets. Well done to Elin who is English star of the week!
