

Willow's Weekly Review

Friday 23rd November 2018

This week the children have been extremely excited as it is finally our class assembly week! They have been very happy to show off their costumes to the rest of the class. I am so proud of each and every child for having the courage to stand in front of the school and say their lines, sing the songs and for being so enthusiastic.

Have a lovely weekend,
Mrs Balls and Mrs McKeever

There has been lots of discussion about being truthful and honest in class over the past few weeks. We decided to take the opportunity to use a story in our assembly where being untruthful has serious implications. The children enjoyed the chance of dressing up in clothes associated with medieval castles but also including a shepherd boy and a dragon!

In Maths, the children have continued their learning on subtraction and they have been using the part whole model to find different subtraction number sentences. Soon they will be able to write 8 different number sentences from the 3 numbers in the part whole model. In English, as well as RWI, we have been thinking about the suffix 'ed' and writing verbs in the past tense.

Home Learning

Your child's home learning this week is to follow written instructions which continues from our cross curricular work on algorithms last week.

Christmas play rehearsals are now in full swing! Some children have been going out in the afternoons to practise with Mrs Page whilst others have been busy practising and learning the songs in the classroom.

Costumes - Christmas play costume requests have now been sent out. Please look in your child's book bag/reading wallet if you haven't seen it already. Please let me know if you have any problems.

Notices

Christmas Capers - Donation boxes for the luxury hampers, the tombola and the teddy tombola are outside the classrooms and in the foyer. Anything you can contribute will be greatly appreciated!
