# ROSEWOOD WEEKLY REVIEW

**Week ending 31.01.19**

Dear Parents/Carers,

In this cold weather please make sure that your child has a school jumper that they can wear in school as well as warm clothes for wearing outside at break time. It is very cold outside at the moment so please can we ensure children are dressed appropriately? Many thanks.

Wishing you all a lovely weekend.

## English:

We have continued our work on the story of 'The Great Kapok Tree'. We have been focusing on the animals in the book thinking about how they would say their lines. We have also been working on improving rather uninspiring sentences about the rainforest by adding adjectives and adverbs. We finished this unit of work by writing a letter to highlight the issues faced by people and animals living in the Amazon rainforest.

## Maths:

This week we have been using compact addition for addition particularly to add amounts of money. We have also been subtracting three digit numbers, finding change from £5 and £10 and finding the difference between prices.

## Other Subjects:

In Enrichment, we used an atlas to locate rainforests around the world. We also labelled continents, the equator and the tropics of cancer and Capricorn. In Science, we were learning about food chains. We learnt how to use the words producer, prey and predator. In our PSHE work, we have continued our learning about healthy eating by looking at the 'Eatwell Plate'.

## **DATES FOR YOUR DIARY AND NOTICES**
