

Willow's Weekly Review

Friday 1st February 2019

We have had a very exciting time in Willow class this week! We have been fortunate to have 2 sets of visitors: Mr and Mrs Bhachu spoke to Year 1 and 2 about the Sikh faith, which was an interesting and informative session. We also had a visit from Mr Penguin who talked to us about the life of a penguin; this certainly stimulated our Enrichment discussions! Thank you so much for collecting 5p coins for the BSA challenge, Willow class are very competitive!

Many thanks and have a great weekend

Mrs Balls and Mrs Ballester

We have had a second week with a focus on time. There has been much excitement as the children have all had a turn wearing a watch for one day each this week. Time is a very tricky concept for the children to grasp but they all enjoyed wearing a class watch and it has been good for them to recognise different times. We have revisited o'clock and are learning half-past time so please encourage children to read times on analogue clocks as well as digital.

Mr Penguin told us about the life of penguins and how much they like the cold weather. Although they cannot fly, they are very good swimmers. Their flippers and webbed feet help with this.

Mrs Bhachu talked to us about the 5 K's.

Anna tried on the Kachera - cotton underwear

Mrs Bhachu showed us the Kirpan - steel sword

Kanga - wooden comb

Kara - steel bracelet

Kesh - uncut hair

Diary Dates Half-term Holiday: **Mon 18th to Fri 22nd February**, End of term: **Fri 5th April**
Willow Community Assembly: **Fri 22nd March**

This week the children have brought home some straightforward 'common exception words' to practise. There is also a Time sheet, which Mrs Ballester has prepared for them. Thank you for your help and encouragement with this Home Learning.
