

Weekly Review

29th March 2019

Acorn

As we approach the end of this busy half term, the children are doing extremely well to keep going. We have had a lovely week talking about our own Gruffalo stories, which some children have started. We have been to the Church to learn more about the Easter story and next week we will enjoy a few Easter activities in the classroom.

Acorn

Easter experience.

We visited the church on Thursday this week to learn more about the Easter story. The children enjoyed taking part in a carousel of activities organised by the church. It was such a lovely hands on experience in a peaceful setting and I'm sure the adults enjoyed the experience just as much as the children did. Thank you to the church members and to the adults who helped walk us up to the church and back.

Next week sound/book focus:

Next week will be a re-cap week. We will be looking back over the sounds learnt over the last two weeks and completing activities to give children opportunity to apply their phonic knowledge independently. We will also be playing games with the tricky troll words and High frequency words.

Sponsored bike ride

The children are super excited about their bike ride next week. I will keep up to date with the weather forecast and pray that the weather is nice enough to be out on our bikes. Bikes/scooters and helmets will need to be brought in on Friday morning. If you are unable to bring them on Friday then you are able to bring them on Thursday after school as long as you're happy for them to be kept in our outside area close to the classroom door or in the school bike rack to the side of the school. We will take children out in small groups to the lower playground and allow them to decide how many laps to complete. We will make a note of how many they have completed and they will receive a certificate at the end of the day. Please feel free to hand in sponsor forms and money before the event or during the first week back after the Easter break. Thank you so much for your support as always.

Dates:

8 April – 24th April: Easter break. 23rd April: Teacher training day.
