ROSEWOOD WEEKLY REVIEW

Week ending 01.03.19

Dear Parents/Carers,

The children have made a fabulous return to school after half term.

We still have some outstanding permission/medical form for Grafham. Please can these be returned to school by MONDAY?

Next week, we will be celebrating World Book Day on Thursday 7th March. We are looking forward to seeing the children dressed up as their favourite book character!

English:

This week we have been turning our 'Fairy tales' into scripts. We explored how a play script is set out before applying these conventions to our own stories. We then also took time to think about what makes a good performance. As scripts are designed to be read aloud or performed we look forward to sharing some of our work with you in our forthcoming assembly. Therefore, homework this week is to learn lines.

Maths:

In Maths, we have been concentrating on mental multiplication and division in particular our 7 and 9 times tables. The children have enjoyed working on a variety of different activities this week to help improve their recall and speed. Homework for this week is focused on the 9 times table. The booklet is designed so that the children complete one challenge per day.

Other Subjects.

We have been using a lot of our working time this week to focus on organizing our class assembly. In our climate work we have set up some weather instruments. We are taking recordings from them each day so we can find out about the climate in Bourn. The children have found it a little frustrating that we have been experiencing such lovely weather as we can't record any rainfall, wind speed or cloud cover!

DATES FOR YOUR DIARY AND NOTICES

Safeguarding Review - Monday 4th March. 6:30pm in the school hall. All welcome.
