

Weekly Review

24th May 2019

We love the sunshine!

We have had fun soaking in the sun in our outside areas this week. We are very grateful for our most recent donation of some Willow twigs to build our very own willow den structure. Thank you Sally and Jez for the kind donation. We will do our very best to look after it as it grows over the next few weeks.

The children have enjoyed watering it and helping to weave in the extra twigs to keep it secure. We have also had fun dressing up in the green grass area. When we dress up we explore our imagination and storytelling skills as we imagine ourselves as our favourite characters. Such fun! Dressing up also allows us to practise dressing/undressing skills and helping others to put on items of clothing. Zips and buttons can be tricky not to mention clothes that are turned inside out!

Ahoy there!

We will begin our new half term with a Pirate theme. The children have already started to prepare for our new learning by helping us turn the role play corner into a pirate ship. If you have any pirate dressing up items, books, telescopes and maps at home we would love you to share them with us at school. Thank you for your support.

Notes.

Thank you for providing your child with a sun hat, water bottle and sun cream. It is essential that you apply sun cream to your child before school and your child will top up their cream before lunchtime play. We do not apply sun cream to your child. Your child is responsible for applying their own with some adult guidance. We also ask that the cream is provided in roll-on or spray form to avoid applying too much cream. Can we also remind you that we are a nut-free school? This is for the safety of our children and staff. Thank you.

Thank you also to the parents who have completed the school trip information form.

We are super excited for our trip in June!

We are also very excited to take part in our first school sports day. During the afternoon of the 5th June the children will take part in fun races. We provide sports day t-shirts for your child so all they will need on the day is their PE kits which must contain shorts and trainers. **Children do not come to school in their PE kit.**

On that day it is also essential that your child has a water bottle.

Parents are welcome to spectate and cheer on class Acorn!

Dates for you diary:

Teacher training day: Friday 24th May.

Monday 27th May – Friday 31st May: May half term
