## Home Learning

This week the children have been asked to practise spelling ou/ow words. There will be a test of these 6 words on Wednesday next week.

On Wednesday morning, the children had an assembly from local Channel Swimmer Ed Williams from Elite Swimming Academy. The children learnt all about Ed's extreme swims all over the world including the English Channel, Irish Channel and Gibraltar Strait. Ed spoke about the themes of resilience, perseverance and working towards big dreams in life.

Ed runs a children's swim school in the village of Croydon at a pool called Manor Farm. If your child is in need of any extra private swimming tuition then please visit [www.eliteswimmingacademy.co.uk](http://www.eliteswimmingacademy.co.uk) or call 01223 633 699.
