

Weekly Review – Maple Class

Friday 13th September 2019

HISTORY

This week, the children began their new Humanities topic: The Tudors. We learnt about the War of the Roses and understood how Henry VII came to be King. We also analysed the reasons for Henry Tudor winning the Battle of Bosworth even though Richard had more men and firepower.

ENGLISH

This week, we have started our new unit of work on: Writing to Inform. We have revised the features of non-chronological reports by looking at a range of texts. We have also revisited parentheses and the punctuation (brackets, dashes and commas) used to add extra information to our work.

MATHS

This week we have been enjoying our week of Inspirational Maths. We have learnt that there is no such thing as a 'Maths person' and that anyone can learn anything. We are learning how to value mistakes as they help us get better at tricky things. We also enjoyed completed some investigations

What an excellent start Year 6 have made! The children have settled in very well and are getting to grips with all the new routines and systems. We are very impressed with what we have seen so far!

Keep it up Year 6!

DATES

Sunday 15th September: Bourn to Run

Friday 20th September: Maple Class Assembly

NOTICES

Year 6 very much enjoyed Dr Emily Grossman's visit to talk to the children about her book, 'Brain Fizzing Facts' and how we as humans can help to look after the environment. See if your child can remember the fact about cows and party balloons! You can find more information about Dr Grossman and her work on making science exciting and accessible as well as her work on TV by visiting www.emilygrossman.co.uk

HOMEWORK

English: Parentheses & Spelling

Maths: Number Investigation

Science: States of Matter

Reading: Daily

HOW YOU CAN HELP:

Discuss learning, read with your child, find examples of parentheses in texts, value mistakes.

hope courage justice forgiveness friendship
