

# Weekly Review - Cherry Class

Friday 4<sup>th</sup> October 2019

## Maths

In Maths we have continued to order and comparing numbers up to one million. We have also been rounding numbers to the nearest 10, 100, 1,000 and 10,000.

## English

This week, in English we have been looking at instructions in various forms such as recipes, instructions for a game or changing a tyre on a monster truck! Next week we will be planning and writing some instructions using all the features we have learnt about.

In History, we have learning about what Henry VIII was like as a young king.

In Science, we have been thinking the digestive system and how they systems of the body work together.

Next week, on Thursday, we will be supporting #Hello Yellow, which is a charity event to support mental health in young people. On Thursday 10<sup>th</sup> October, children are invited to come to school wearing a yellow accessory to show their support. £1 contributions will go to supporting Young Minds Charity. Many thanks.

## Homework

**English:** Homework of the week went to Luke and Tom well done!

**Maths:** Numbers to a million. To be submitted by 9<sup>th</sup> October. Homework of the week went to Matthew and Gina, well done!
