

Weekly Review - Willow Class

Friday 4th October

Happy October! We have seen mixed weather this week. Please can you ensure that your child brings a named coat into school each day?

In Maths, we have continued thinking about greater and less than objects and numbers as well as ordinal numbers. In English we have begun a Talk 4 Writing project which the children are enjoying. Home Learning this week is Topic related- the children have been asked to find out a few Space facts which they can then share with the class.

We celebrated the first 6 year old in Willow Class this week! Happy Birthday, Booky!
